

PROFILE OF SKILLS AND COMPETENCES

General competence:

Schedule, organize, execute and assess social integration activities, assessing the information obtained in each case and determining and applying the most suitable strategies and technique for developing personal autonomy and occupational integration.

This Expert will act, in any case, under the general supervision of a Bachelor and/or a Diplomaed Specialist.

Competence units:

1. Scheduling, organizing, and assessing social integration actions.
2. Organizing and supervising activities of assistance to residential units.
3. Training on acquisition of personal and social autonomy skills.
4. Supervising occupational integration activities.

RANGE OF OCCUPATIONS ACCESSIBLE TO THE HOLDER OF THE CERTIFICATE

Occupations or jobs:

- ✓ Expert in home assistance programmes.
- ✓ Expert in social integration and prevention programmes.
- ✓ Occupational integration expert.
- ✓ Educator for residential units of various kinds.
- ✓ Educator of disabled persons (physically, psychically and sensory disabled).
- ✓ Family worker.
- ✓ Basic mobility expert.
- ✓ Possible specializations:

The possibility of specialization is given by an extension of the scope of attention. In Spain, this would mean covering the elderly and immigrants. Therefore, an adaptation/training period would be required to achieve specialization before entering the world of work.
